# CITY WINERY WINES ON TAP

Straight from the barrels in our cellar. No bottles, no labels, no corks. Rather than put wine into a bottle when it is ready, we put it into stainless steel kegs. Preserved after every pour with a thin layer of argon gas, keeping every glass fresh, without waste. We take great pride in sourcing our grapes from some of the finest vineyards in the world and want to give you a world-class, expressive taste in every glass. Cheers.

– Michael Dorf, Founder & CEO  
– David Lecomte, Chief Winemaker  
– Robert Kowal, Winemaker

City Winery tap wines are  
crafted in small batches and  
will rotate often.

## CHENIN BLANC—SAVENNIÈRES

From these Kimmeridgian soils springs a wine like no other: expressive yet reserved, honeyed yet uncompromisingly dry, captivating yet not so interested in being caught. A wine that makes you chase it. Bites back. The mineral energy is terrific, the body is plump yet precise, the fruit is chalky and sweet-tart, and the finish is riddled with herbs like tarragon. Expressive of place with depth and presence. Striking.

### ORANGE WINE

The term "orange" describes wines made with white grapes whose juice is left in contact with its skins. This gives the wine a tinge of coppery pink/orange color, which is deeper than most rosés. Orange wines are rare, always handcrafted, and often expensive. Be edgy. Drink like a hipster sommelier wine nerd.

**RIDGE—MONTE BELLO**

In the early 1960s, Ridge reclaimed a 125-year-old vineyard, Monte Bello, which lay dormant during the Prohibition era. Though born to the world of modern California wine making, Ridge relies on tradition rather than technology. The viticulture is sustainable and almost entirely organic. Each vineyard is a separate site that shows distinct character and quality.
